

Food Tasting is an important part of your Wedding planning process. It is our goal to ensure that your menu is beautifully displayed and filled with flavor and freshness.

- **Our Tastings are at 11:30am on the following dates:**
 - **Saturday, February 8, 2020** **and** **Sunday, March 8, 2020**
- Tastings are by reservation only at City Moose Café located at 30 Temple Street Nashua, NH. Tastings are served buffet style with other couples. Chef Jason will be there, and we will talk with the group, answer questions and come around to chat with you 1:1.
- A complimentary tasting is offered for 2 guests with any signed contract. If you wish to have more than 2 guests at your tasting a \$25 fee per person will be added onto your wedding reception invoice.
- If you'd like to attend a tasting before you book with us (we don't recommend this because your date can be secured by someone else in the meantime), the fee is \$50 per person.
- Our Tasting Menu includes some of our most popular wedding menu items. While you may not be tasting your exact wedding menu, you will still get a wonderful idea of Chef Jason's style and presentation. This gives Chef an opportunity to be a bit creative with local and quality ingredients – a treat for all!

We look forward to working with you to help you create the perfect menu for your event!
